

MOFFAT ACADEMY PEEPS - PUPILS` EXCELLENCE AND ENDEAVOURS INFO FOR PARENTS AND STAFF

Nov 2018

Dear Parent /Carer,

Welcome to Moffat Academy **PEEPS bulletin**-to keep you up to date with the latest pupil achievements and news, S1-S6. Please send any examples of wider achievement to- gw08renniesandra3@ea.dumgal.sch.uk

Rotary Young Chef 2018

This year Rhonwen Paterson (S5) won the school's heat in the cooking competition. Rhonwen and Mrs Kirk then travelled to Dalbeattie High school for the regional finals. Rhonwen did very well by being placed 3rd. Her menu consisted of-

Chicken Tikka Masala with Mango Chutney and Gremolata Yogurt

followed by ~

A Baileys & Chocolate Orange Tartlet with a Baileys Cream and Coffee.

This project involved a great deal of research for Rhonwen, as well as practising her dishes until she was happy with the result.

Well done to Rhonwen.

Hallowe`en Disco

A group of seniors led by the head girl, Grace Pow, organised a very popular disco for S1-6 pupils on the 9th November. Over £300 was raised for the funds for the Senior Prom 2019. Fundraising for the prom has been very successful so far this session.

Well done to the seniors and to Grace for arranging this.

Sports leaders

A group of S4 pupils are our Sports leaders who lead and inspire younger pupils to become more interested and to encourage greater participation in sport. The pupils involved are -Catriona Paton, Kathryn Pow, Abbie Haley, Chloe Christie and David Johnson. Well done in setting a good example and being positive role models to others.

Remembrance Service

Mr Brown led a school service to recognise the Centenary of the end of the First World War— 100 years since the war ended. Poetry was read out by Katie McCulloch, Ben Kerr and Molly Paterson. Also present were veterans from the British Legion and from Dowding House. David MacDonald played the bagpipes as well as Lily Seddon who played the Last Post. The entire school from Nursery up to S6 took part in the service.

The Poppy Waterfall created by Mrs Candlish, Miss McGuchan and pupils was a beautiful memorial to help us remember the past. After the service, the Poppy waterfall was transported to St Andrews church for display.
