Miss McNaughton's English Class

For this week, my students should complete tasks in relation to Periods 5-8. The appropriate workbook is on Show My Homework, and is accessible there (though hard copies were handed out to students in the final week).

Students will need: their copy of the text and access to the workbook (either electronically or as a hard copy).

Mr McPhee's English Class

Work on short story unit. Tasks this week are

- read the section on 'Structure'
- complete activities 1, 2 & 3. They then have to complete a KAL on tenses.

Support materials are on Show My Homework.

Drama

You are currently looking at the use of 'voice' when portraying a character. You are to complete the written task on Show My Homework that is due Thursday this week.

· You are to continue looking over the voice terms on your knowledge Organiser. Multiple choice tests will pop up regularly.

· An introduction to 'Radio Drama' Powerpoint will be given to read on Tuesday and then to follow a series of 'mini' dramas produced by the BBC with questions on voice to follow.

French

Spend some time looking at and trying to memorise the activities shown in the pictures above. You can get someone to test you. All these expressions feature an Infinitive (mainly FAIRE or ALLER) and are things that people do when they go on holiday. Have a look at the powerpoint on 'aller + infinitive' and do activities in the presentation.

Look at task 4 on page 107 of Expo 1 by reading the passage then writing or typing out the ten sentences underneath choosing the correct option in the second half of each sentence. Support materials are on SMH.
