

A large, stylized lowercase letter 'p' is centered within a black rectangular border. The letter is filled with a vibrant rainbow gradient, transitioning from pink at the top, through red, orange, yellow, green, and teal, to blue at the bottom. The letter has a thick black outline and a white interior for the bowl. The background is plain white.

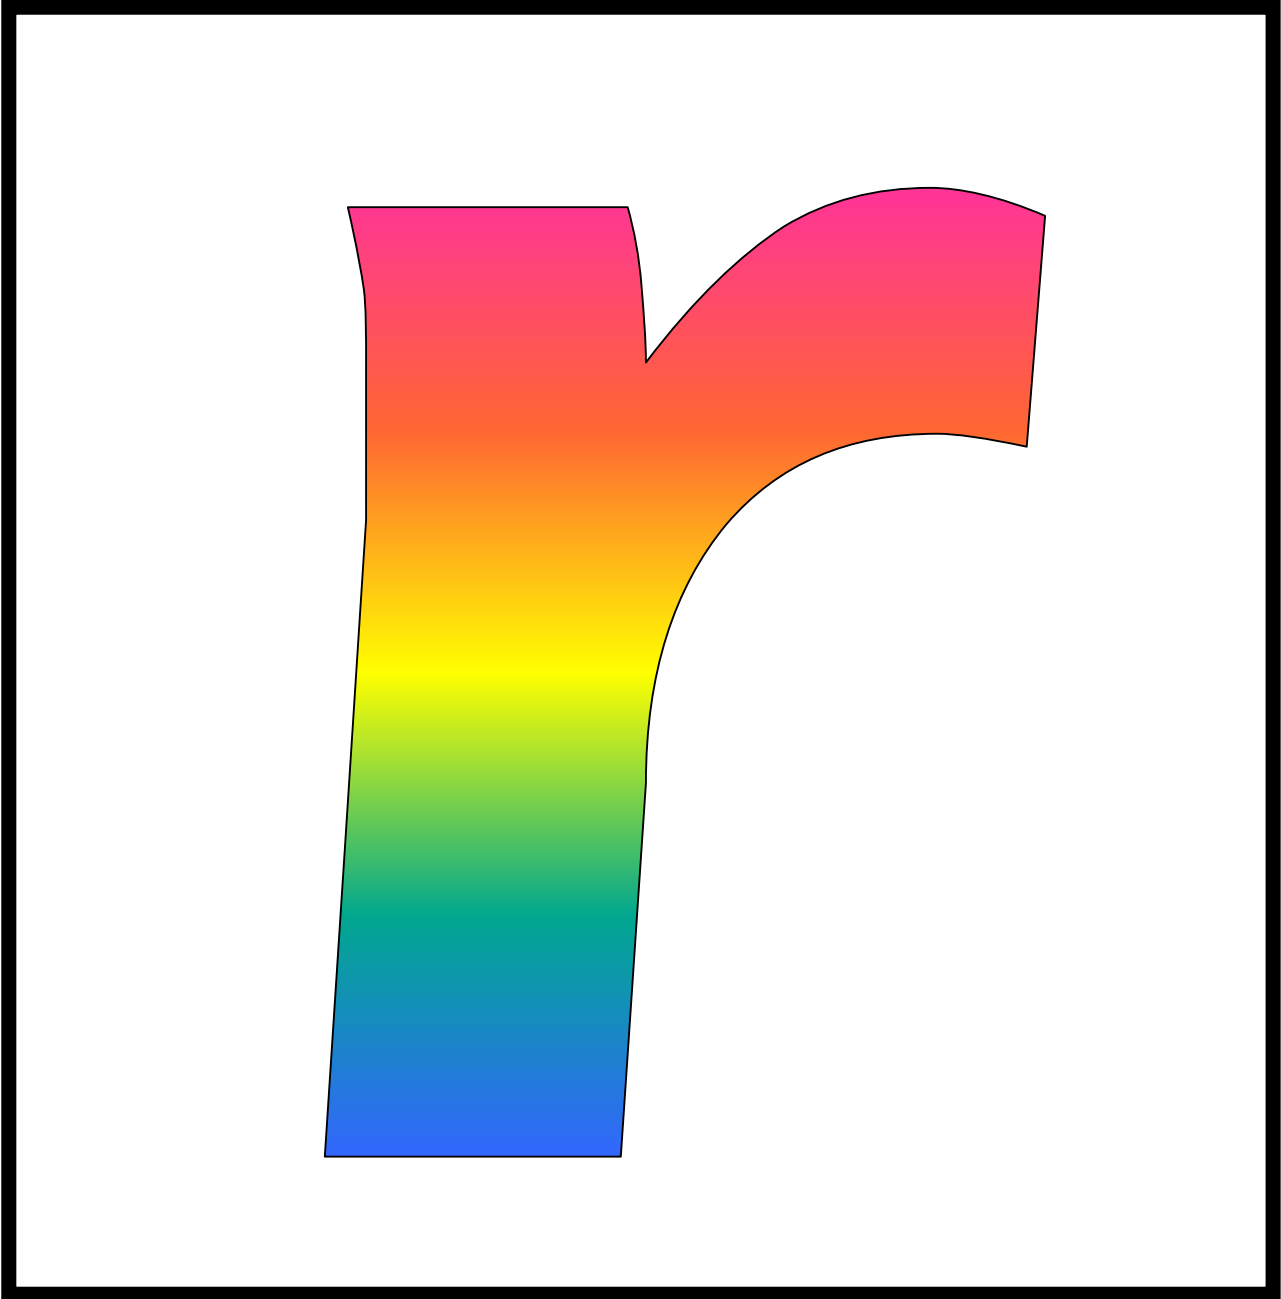

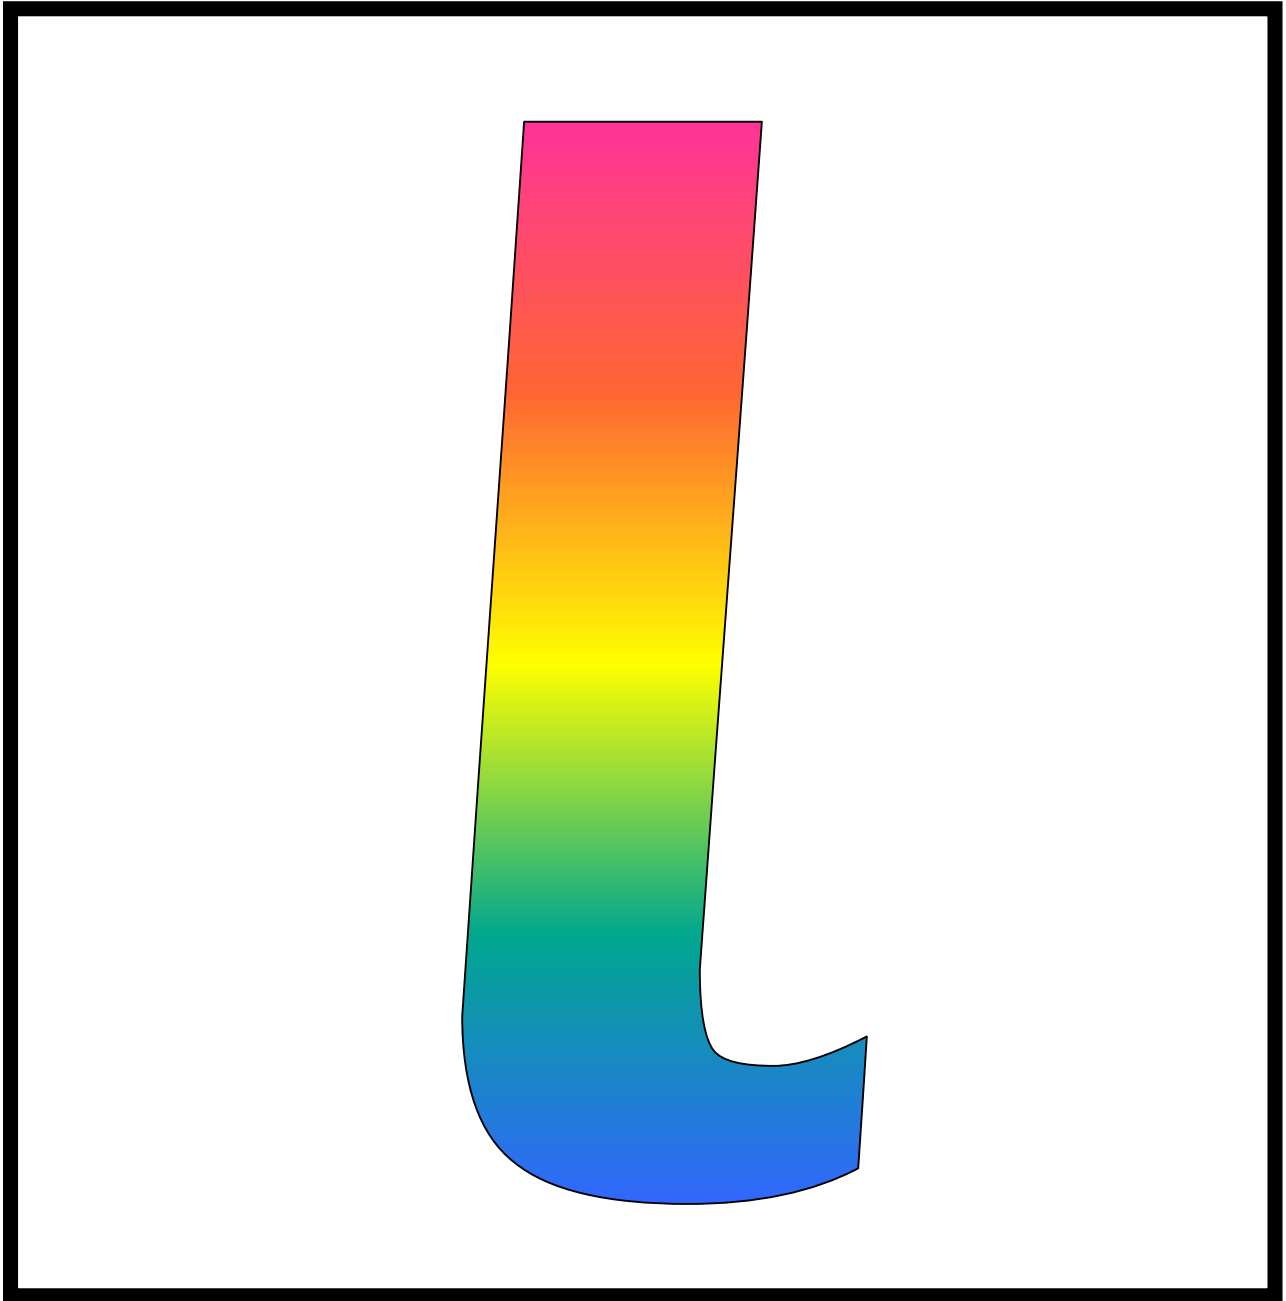

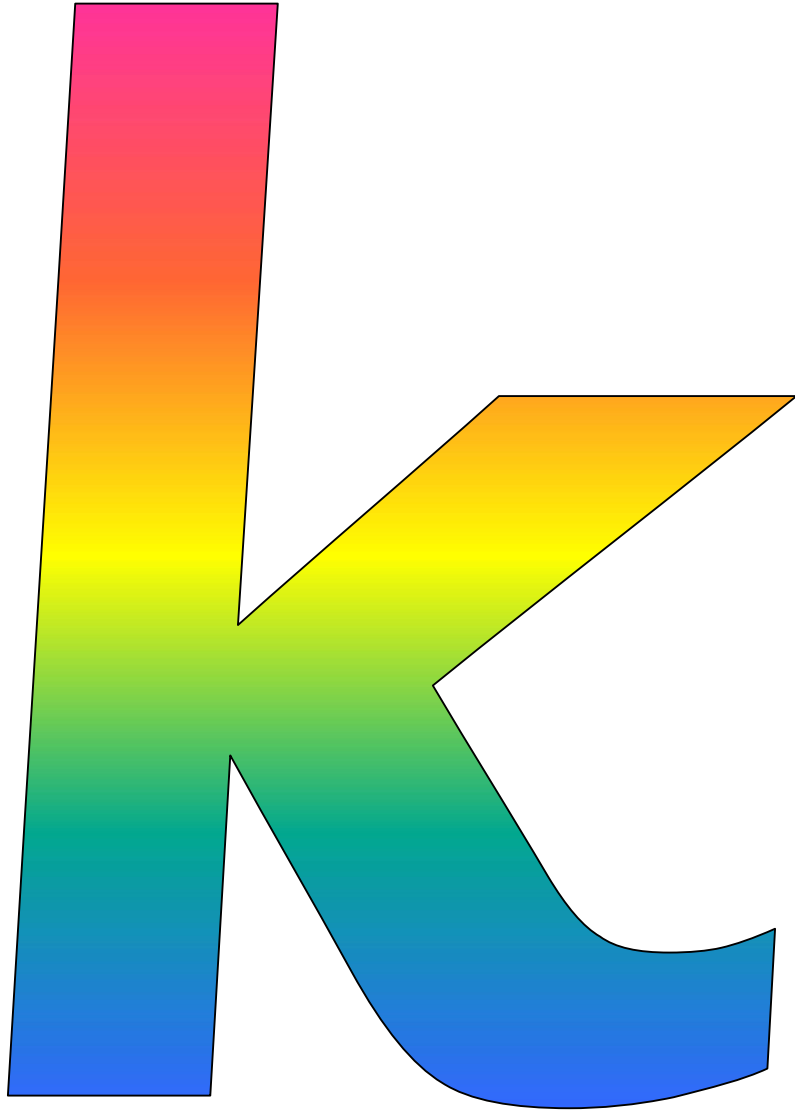

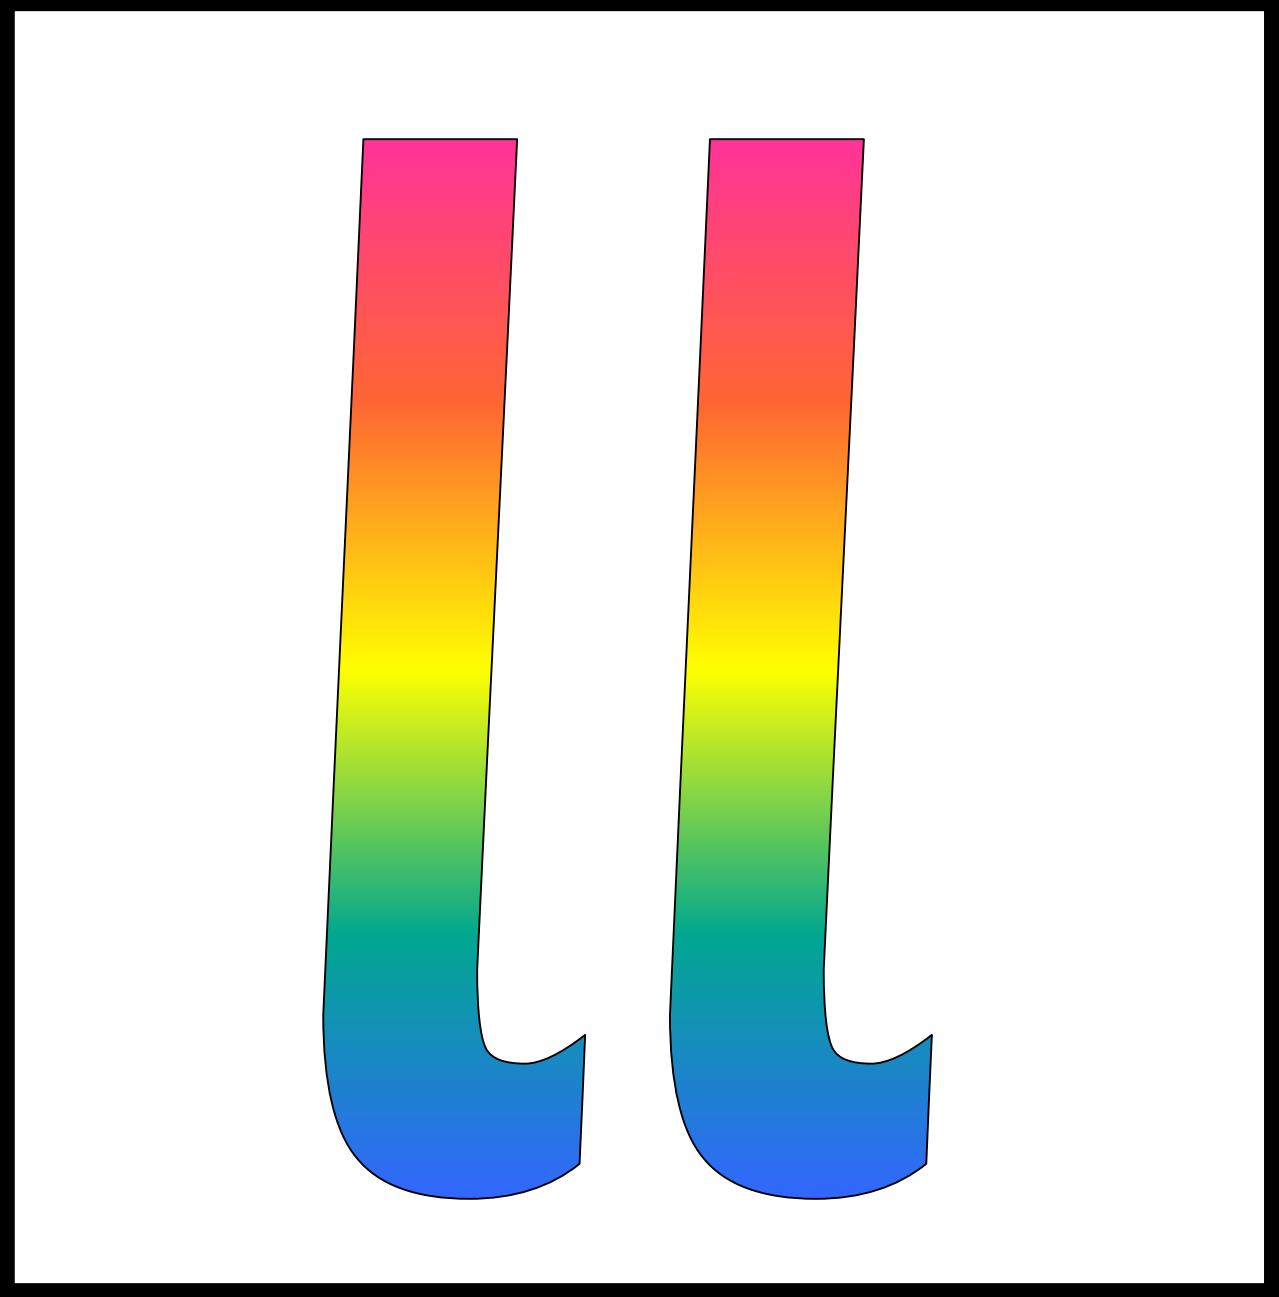

ff

The image displays two lowercase 'f' characters side-by-side, rendered in a bold, stylized font. Each character is filled with a vertical rainbow gradient, starting with blue at the bottom, transitioning through green, yellow, orange, and red, and ending with pink at the top. The letters are outlined in black and are centered within a white square frame that has a thick black border.

ZZ

sh

th

The image displays the lowercase letters 't' and 'h' in a stylized, rounded font. Both letters are filled with a vertical rainbow gradient, transitioning from red at the top, through orange, yellow, green, and teal, to blue at the bottom. The letters are centered within a white rectangular area that is enclosed by a thick black border.

ck

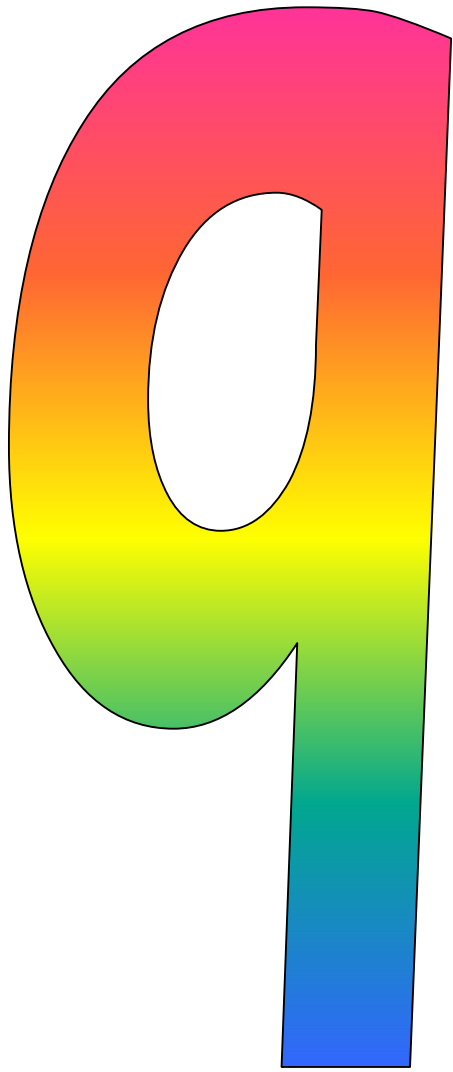

The image displays the lowercase letters 'c' and 'k' in a stylized, rounded font. Both letters are filled with a vertical rainbow gradient, transitioning from blue at the bottom to red at the top. The letter 'c' is on the left, and the letter 'k' is on the right. The entire graphic is enclosed within a thick black rectangular border.

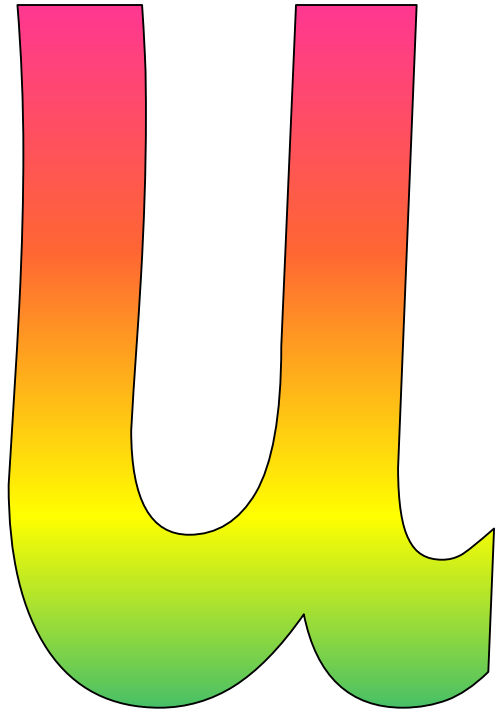

ng

The image displays the lowercase letters 'n' and 'g' in a stylized, rounded font. Both letters are filled with a vertical rainbow gradient, starting with pink at the top, transitioning through red, orange, yellow, and green, and ending with blue at the bottom. The letters are outlined in black and are set against a white background within a black rectangular border.
