Dear Parent/Carer,

As we are now in our final term of the nursery year we would like to ensure our children have the opportunity to mix with their peers for the following year.

As there has been no update to government guidance and the requirement of nursery being split into two cohorts still stands, we have made the decision to change our cohorts within the nursery to accommodate this.

We are now looking to integrate all the children that will be staying in nursery next year in one area and the children who are moving up to Primary 1 in the other. Our aim from now until the summer will be to support the children in building relationships and developing friendships regardless of their age and stage. Our hope is that this will enable them all to have a positive start when they return in August.

Our nursery cohorts will change from Tuesday 4th May and all parents of any children moving groups will be informed individually. The nursery will have a deep clean between Friday 30th April and Tuesday 4th May. We will be using this week in nursery to support the children in understanding this move.

Please do not hesitate to get in contact if you have any queries regarding this.

Kind Regards,

Miss Hiddleston
